

# Level Green Covid-19 Safety Protocols 2023

**\*Guidelines will be updated as needed and posted on our website.**

**Campers' Arrival** – Camp hours are from 9:30am to 4:30pm. Campers may arrive between 9:10am and 9:25am but are not under staff supervision until 9:30am. Please stay in the barn yard or the front yard areas. A parent may accompany each camper into the yard but are asked to depart at 9:30am.

**Assemblies** – Campers assemble two times a day under the trees and tents in the front yard. At 9:30am, attendance is taken and the morning activities are discussed. At 2pm, the afternoon activities are discussed.

**Storage of Personal Equipment** - Campers are assigned a labeled crate for storage of labeled personal belongings (helmet, boots, lunch cooler, water bottle, etc.). Please bring lunch and snacks in an individual cooler or zipped lunch box.

**Hand washing and sanitizer** – We have two bathrooms for campers' use. Hand sanitizer is in common areas throughout the yard. We encourage frequent handwashing and use of hand sanitizer and incorporate reminders for such sanitizing in the daily routine.

**Masks** – Campers may bring face coverings to be worn when in indoor spaces. Campers may bring and wear a face covering according to their preference, although a face covering is not recommended for any camper while riding.

**Water Bottles** – Please send a personal water bottle brought from home, labeled with the camper's name. For drinking water, there is a bottle filler to refill during the day. Staff will transport water bottles to the ring during lessons.

**Supplies and Equipment** – Campers are provided a grooming kit, muck fork, and muck bucket for the week (labeled with a number) to limit sharing. Campers are encouraged to bring their own grooming kit and riding crop (labeled with their name) if they already own such equipment. Campers are also encouraged to bring their own helmet and boots. If you are interested in purchasing any of these items, please visit Myrna's Boots N' Bits or Champion Saddlery. Online ordering can be done through Dover Saddlery or SmartPak Equine.

**Porch** –The porch is ventilated with open windows and fans. During inclement weather, campers will assemble in the porch. Campers may wear a mask anytime indoors.

**Parent Guidelines** – Please assess your child every morning for any symptoms of illness before they arrive in the morning. If your child or another member of your household shows any symptoms of illness, please have your child stay at home. Please discuss social distancing and handwashing often with your children.

*We will do our best to give your child a happy, fun, and safe summer! Please let us know if you have any questions.*
